

ADVANTAGE HUMAN

NATURE OF THE GAME.

Ultra-sharp senses. Constant vigilance. Total knowledge of their habitat. If that wasn't enough, extremes in weather and terrain mock us at every step. One little stumble or one whiff of you and it's all over except for the story of what might have been. Nature always seems to have the advantage.

It's time to gain the upper hand. Wood N' Stream boots are built for hunt-all-day comfort using the highest-quality materials and craftsmanship. Warm, waterproof, and breathable, we've got styles to suit every type of outdoor pursuit. And now, we're proud to offer the ONLY full line of boots made with 3M™ Thinsulate™ Platinum Insulation and X-STATIC® silver fiber scent control technology (see page 4). It's an antimicrobial game changer.

We've turned the tables on nature. *Advantage, human.*

Don't Get Busted. Get X-STATIC®!

3M
Thinsulate™ Platinum
INSULATION

X-static

Wood N' Stream® Hunting Boots

The first line of hunting boots to feature this hunt-saving technology!

Mature game animals do not tolerate human odor. Cover scents and sprays don't eliminate human odor at its source—bacteria that grow in ordinary boots. 3M™ Thinsulate™ Platinum Insulation with X-STATIC® fibers inhibits bacteria growth while remaining breathable and waterproof—for the life of the boot!

PERMANENT — SILVER — ODOR CONTROL

ANTIMICROBIAL

Protects fabrics from the growth of bacteria and fungi*

ANTI-ODOR

Naturally eliminates odor and keeps gear smelling fresher*

INSULATED

Trusted 3M™ Thinsulate™ Platinum Insulation provides exceptional warmth

PERMANENT

Does not wash out, lasts for the life of the product, safe for the environment

*EPA regulated products containing X-STATIC® solely protect the finished product itself from microbial growth and odor. Any public health claims related to X-STATIC® products are expressly limited to products regulated by the FDA and do not apply to products regulated by the EPA. 3M and Thinsulate are trademarks of 3M.

A full-page photograph of Willi Schmidt, a hunter, standing in a forest. He is wearing a camouflage cap, a long-sleeved camouflage shirt with orange accents, and camouflage pants. He is holding a compound bow with orange and black arrows. He is standing on a mossy log. The background is a dense forest with green foliage.

Willi Schmidt Says, "Don't Get Busted."

AMERICAN COLLECTIONS

1957 - THE ORIGINAL

You just can't keep a good thing down—like the 1957 boot. The true "Original" harkens back to a time when homebuilding was booming, and hardworking Americans took enormous pride in their craftsmanship. Maybe your father or grandfather still refer to them as the "best hand-crafted boots ever made."

Today's 1957 boot lives on with the finest leathers and precision stitching, inside and out. Every detail is instrumental, including an anatomically-stitched heel kicker for easy on and off. Enjoy a true American classic.

... KEY TO FEATURES ...

Durable protection from oil and water spills.

Waterproof, breathable construction

Antimicrobial Odor Control with X-STATIC® is a revolutionary footwear technology. It uses embedded silver, a naturally occurring element that is safe and non-toxic to skin, to reduce odor-causing bacteria by 99.9%.

Wood N' Stream Outdoor footwear is a division of Weinbrenner Shoe Company which manufactures our Made in USA footwear at its two factories in Wisconsin. Our Made in USA footwear is either Berry Compliant (100% made in the USA with USA components) or Made in the USA with domestic and globally sourced components.

Vibram is the world leader in high performance rubber soles targeted to the outdoor, work, recreation, fashion, repair and orthopedic markets. For more than 80 years, the famous yellow octagon that identifies the brand has been synonymous with quality, performance, safety, innovation, and design.

ScentMask™ is a trademark of Cosmo/Starensier fabrics.

eVent fabrics created the original air permeable and waterproof membranes to keep outdoor enthusiasts dry and comfortable in the most demanding conditions. eVent fabrics use patented Direct Venting™ technology to simply let the sweat out.™ ©2014 BHA Altair, LLC. eVent is a registered trademark of BHA Altair, LLC.
